You must be at least 18 to use the Services. No individual under the age of 18 may use the Services, provide any Personal Data (as that term is defined in the [Privacy Policy](#)) to us, or otherwise submit Personal Data through the Services (e.g., a name, address, telephone number, or email address).

1.2 Your Account

You may need to create a Weigh Safe account to access the Services, and it's important that you keep your account accurate and up-to-date (particularly your email address - if you ever forget your password, a working email address is often the only way for us to verify your identity and help you log back in).

You may need to register for a Weigh Safe account to access or use certain Services. Your account may also automatically provide you access and means to use any new Services.

When you create an account for any of our Services, you must provide us with accurate and complete information as prompted by the account creation and registration process, and keep that information up to date. Otherwise, some of our Services may not operate correctly, and we may not be able to contact you with important notices.

You are responsible for maintaining the confidentiality of any and all actions that take place while using your account, and must notify our Support Team right away of any actual or suspected loss, theft, or unauthorized use of your account or account password. We are not responsible for any loss that results from unauthorized use of your username and password.

If you are a resident of the European Union: You have the right to delete your account with us by contacting our Support Team. If you choose to permanently delete your account, the non-public Personal Data that we have associated with your account will also be deleted.

1.3 Service Updates, Changes and Limitations

Our Services are constantly evolving. With the launch of new products, services, and features, we need the flexibility to make changes, impose limits, and occasionally suspend or terminate certain Services. We may also update our Services, which might not work properly if you don't install the updates.

The Services change frequently, and their form and functionality may change without prior notice to you.

We may provide updates (including automatic updates) for certain Services as and when we see fit. This may include upgrades, modifications, bug fixes, patches and other error corrections and/or new features (collectively, "Updates"). Certain portions of our Services may not properly operate if you do not install all Updates. You acknowledge and agree that the Services may not work properly if you do not allow such Updates and you expressly consent to automatic Updates. Further, you agree that the Terms (and any additional modifications of the same) will apply to any and all Updates to the Services. We may change, suspend, or discontinue any or all of the Services at any time, including the availability of any product, feature, database, or Content. In addition, we have no obligation to provide any Updates or to continue to provide or enable any particular features or functionality of any Service. We may also impose limits on certain Services or restrict your access to part or all of the Services without notice or liability.

1.4 Service Monitoring and Suspension

We reserve the right to refuse to provide the Services to anyone, and can monitor, terminate, or suspend your account or access to the Services at any time.

We reserve the right, but have no obligation, to monitor any accounts and/or activities conducted through or in any way related to the Services (including inviting a fellow user into a community or group), as well as any user's use of or access to Personal Data, and profiles of other users.

We may also deactivate, terminate, or suspend your account or access to certain Services at any time: (1) if we, in our sole discretion, determine you are or have been in violation of these Terms or the spirit thereof (as highlighted in our Community Guidelines), (2) if we, in our sole discretion, determine you have created risk or possible legal exposure for Weigh Safe, the general public, any third party, or any user of our Services, (3) in response to requests by law enforcement or other government agencies, (4) upon discontinuation or material modification of any Services, or (5) due to unexpected technical issues or problems. We will endeavor to notify you by email or the next time you attempt to access your account after any such deactivation, termination, or suspension.

1.5 Security

Please let us know right away if you believe your account has been hacked or compromised.

We care about the security of our users. While we work hard to protect the security of your Personal Data, User-Generated Content, and account, we cannot guarantee that unauthorized third parties will not be able to defeat our security measures. Please notify our Support Team immediately of any actual or suspected breach or unauthorized access or use of your account.

2. Ownership and Use of Content

2.1 Definitions

Content is what shows up in-app or on the website when you use our Services. User-Generated Content is any Content that is created by you or other users, and Weigh Safe Content is all other Content.

For purposes of these Terms, (i) “Content” means any form of information, data or creative expression and includes, without limitation, video, audio, photographs, images, illustrations, animations, tools, text, ideas, setups, checklists, notes, communications, replies, comments, software, scripts, executable files, graphics, geo-data, data elements, annotations, interactive features, designs, copyrights, trademarks, service marks, branding, logos, and other similar assets, patents, sounds, applications and any intellectual property therein, any of which may be generated, provided, or otherwise made accessible on or through the Services; (ii) “User-Generated Content” means any Content that a user submits, transfers, or otherwise provides to or through the use of the Services; and (iii) “Weigh Safe Content” means all Content that is not User-Generated Content.

2.2 Ownership

You own the Content that you create, and we own the Content that we create.

All Weigh Safe Content and all copyright, trademarks, design rights, patents and other intellectual property rights (registered and unregistered) in and on the Services belong to Weigh Safe and/or its partners or applicable third parties. Each user retains ownership, responsibility for, and/or other applicable rights in the User-Generated Content that he/she creates, but grants a license of that User Generated Content to Weigh Safe as explained in Section 2.5 below. Weigh Safe and/or its partners or third parties retain ownership, responsibility for and/or other applicable rights in all Weigh Safe Content. Except as expressly provided in the Terms, nothing grants you a right or license to use any Weigh Safe Content, including any content owned or controlled by any of our partners or other third parties. You agree not to duplicate, publish, display, distribute, modify, or create derivative works from the material presented through the Services unless specifically authorized in writing by us.

2.3 Our License to You

You are welcome to access and use the Weigh Safe Content and Services. We work hard to provide a great experience for our users, so please respect our intellectual property rights and only use the Weigh Safe Content and Services as intended. This includes not using any Weigh Safe Content or Services for commercial purposes without our permission. We do have APIs and other tools you can use to help create your own apps and products. Contact us to find out more.

Subject to your compliance with these Terms, we grant you a limited, revocable, personal, non-transferable, and non-exclusive right and license to access and use the Services and Weigh Safe Content for your own personal, noncommercial purposes, provided that you do not (and do not allow any third party to) copy, modify, create a derivative work from, reverse engineer, sell, assign, sublicense, grant a security interest in, transfer or otherwise commercially exploit any right in the Weigh Safe Content or Services.

2.4 Acceptable Usage Guidelines

2.4.1 Weigh Safe Content. Except as expressly permitted by applicable law or authorized by Weigh Safe, you agree not to modify, rent, lease, loan, sell, distribute, or create derivative works based on the Services, the Services’ software, or any Weigh Safe Content offered as part of the Services (other than User-Generated Content), in whole or in part. You shall not download, copy, or save Weigh Safe Content, except (i) as expressly permitted by the functionality of certain Services as provided for in the specific guidelines and/or additional terms applicable to those Services, or (ii) solely for personal use or your records.

2.4.2 Commercial Usage of the Services. The Services are intended only for your personal, non-commercial use. You shall not use the Services to sell a product or service, increase traffic to your own website or a third-party website for commercial reasons (such as advertising sales), or otherwise undertake any endeavor aimed at deriving revenue. For example, you shall not take the results from a search of the Services and reformat and display them, or mirror our home pages or results pages on your website. Moreover, you shall not “meta-search” our Services. If you seek to make commercial use of the Services, you must enter into an agreement with us to do so in advance.

2.4.3 Linking to the Services. If you would like to link to our Services on your website or App, please follow these rules: (i) any link to the Services must be a text only link clearly marked “Weigh Safe” (without the use of any other trademark, logo copyright or any other intellectual property asset owned or controlled by Weigh Safe) or in some other format directed by us, (ii) the appearance, position and other aspects of the link may not damage or dilute the goodwill associated with our marks, (iii) the link must “point” to the root domain name of the Services and not to other pages within the Services, (iv) the appearance, position and other attributes of the link may not create the false appearance that your organization or entity is sponsored by, affiliated with, or associated with Weigh Safe, (v) when selected, the link must display the Service on full-screen and not within a “frame” on the linking website or service, and (vi) we reserve the right to revoke our consent to the link at any time in our sole discretion, and upon our notification to you of such revocation of consent, you agree to promptly remove the relevant link.

2.5 Your License to Us

When you post Content in connection with the Services, it belongs to you - however, you're giving us permission to use that Content in connection with our Services and make the Content available to others. We can edit or remove your Content from our Services at any time for any reason. Don't post any Content that is not yours or that you do not have permission to post.

When you provide User-Generated Content to Weigh Safe through the Services, you grant us and our users a non-exclusive, irrevocable, royalty-free, freely transferable, sublicensable, worldwide right and license to use, host, store, cache, reproduce, publish, display (publicly or otherwise), perform (publicly or otherwise), distribute, transmit, modify, adapt (including, without limitation, in order to conform to the requirements of any networks, devices, services, or media through which the Services are available), commercialize, create derivative works of, and otherwise exploit such User-Generated Content in connection with any and all Services. You acknowledge and agree that: (a) we have the right to arrange the posting of User-Generated Content in any way we desire; (b) we have no obligation to provide you with any credit when using your User-Generated Content, but if we choose to provide you with credit, the size and placement of the credit is at our sole discretion; and (c) you are not entitled to any compensation or other payment from us in connection with the use of your User-Generated Content.

The rights you grant in this license are for the limited purposes of allowing Weigh Safe to operate and allow other users to use the Services in accordance with their functionality, improve the Services, and develop new Services. Notwithstanding the above, we will not make use of any of your User-Generated Content in a manner that is inconsistent with our [Privacy Policy](#).

We reserve the right to monitor, remove or modify User-Generated Content for any reason and at any time, including User-Generated Content we believe violates these Terms, the Community Guidelines, and/or our policies.

You agree you will respect the intellectual property rights of others. You represent and warrant you have all the necessary rights to grant Weigh Safe the foregoing license for all User-Generated Content you submit in connection with the Services and will indemnify us for any breach of this representation and warranty.

2.6 Spreading the Word

If you share someone else's Personal Data with us, you must first get their permission.

We hope you enjoy using our Services and encourage you to share your enthusiasm for them with your friends. If you elect to use the features in our Services to tell a friend about the Services, we will ask you to provide your friend's email address or social media profile, which we may then use to contact your friend about the Services. We may store the information you provide for a period of time, but we will not post this information publicly. You represent and warrant that you are authorized to provide any third-party contact information that you provide to us for referrals and will indemnify us for any breach of this representation and warranty.

2.7 Content Retention

Please keep in mind that when you make something publicly available on the Internet, it becomes practically impossible to take down all copies of it in the future.

Following termination of your account, or if you remove any User-Generated Content from the Services, we may retain your User-Generated Content for a commercially reasonable period of time for backup, archival, or audit purposes, or as otherwise required or permitted by law. Further, Weigh Safe and its users may retain and continue to use, store, display, reproduce, share, modify, create derivative works, perform, and distribute any of your User-Generated Content that otherwise has been stored or shared through the Services. The license to your User-Generated Content therefore continues even if you stop using the Services. When you post something publicly, others may choose to comment on it, making your Content part of a social conversation. For more information, please review our [Privacy Policy](#).

3. Community Guidelines

3.1 Interactive Areas

Our Services often contain community features. When you post content through these features that content may become public. We may, but do not always, monitor our community features, and ultimately you are responsible for your interactions with other users. Please use good judgment and play fair.

Some of our Services may include reviews, discussion forums, conversation pages, blogs, or other interactive areas or social features that allow you and other users to post User-Generated Content and interact with one another (“**Interactive Areas**”). You are solely responsible for your use of the Interactive Areas and for any User-Generated Content you post, including the transmission, accuracy, and completeness of the User-Generated Content. As the Interactive Areas are often public, you understand your User-Generated Content may be made and remain public. You should, accordingly, never post any Personal Data in an Interactive Area.

We are entitled, but have no obligation, to monitor our community features. You are solely responsible for your interactions with other users, whether online or in person, including but not limited to comments, challenges, and friendly competition. We assume no responsibility or liability for any loss or damage resulting from any interaction with other users who employ the Services, individuals you meet through the Services, or individuals who find you because of Content posted on, by or through the Services. Weigh Safe is under no obligation to become involved in and disclaims all liability related to any disputes between its users and you release Weigh Safe from all responsibility and liability arising out of or in connection with such dispute.

3.2 Community Guidelines

Our Services are intended to be a safe and supportive environment to help you tow safely. You cannot use our Services to post inappropriate material, harass people, send spam, violate intellectual property rights, or act inappropriately. Be reasonable and act responsibly.

Our Services are intended to create a safe and supportive community for all users. To maintain a safe and positive environment, we require everyone to agree to and follow certain rules (the “**Community Guidelines**”) when posting User-Generated Content and using the Services. Our Community Guidelines are based in many instances on principles of applicable law. Violations of our Community Guidelines may expose you to criminal charges and civil liability. By using the Services you agree that your User-Generated Content and use of the Services, including without limitation the Interactive Areas, will not violate the Community Guidelines. If you violate the Community Guidelines, we reserve the right to terminate your access to the Services.

No Inappropriate Content. Don’t post Content that is stalking, threatening, hurtful, harassing, abusive, or embarrassing to other members of the community. No derogatory references to sex, gender, age, weight, body type, disability, ethnicity, religion, or sexual orientation, or endorsement of violence against any person or group, even if couched in humor, will be permitted. This includes expressing stereotypes about any group or

community. Don't post Content that is defamatory, obscene, pornographic, offensive, hateful, inflammatory, or that promotes sexually explicit material. You can respectfully disagree with a message, post, or topic, but please do not attack other users by mocking or insulting them. If you are attacked by another user, and you reciprocate, you may also be subject to the same consequences.

No Hijacking, Trolling, or Flame-baiting. If you are participating in our forums, please stay on-topic in an existing thread, and post new threads in the appropriate forum. Taking a thread off-topic is considered hijacking. This includes posts that provoke or are intended to incite uproar.

No Harm to Minors. Don't use the Services in a way that harms minors (or anyone, really).

No Disruptions, Exploits, or Resource Abuse. Do not interfere with or damage operation of the Services, including through unauthorized use, disruption, automated attacks, exploitation, or abuse of our resources

No Sending Spam and Junk Mail. Don't spam people via posts, replies, or messages.

No Illegal Content. Don't advocate, promote, or assist any fraudulent or illegal act (e.g., violence, impersonation and computer misuse).

No Soliciting Personal Data. Please don't post or solicit Personal Data regarding or from any third party, including photographs, telephone numbers, street addresses, last names, email addresses and passwords in the Interactive Areas.

No Public Posting of Private Conversations. Don't publicly post an email or private message from any other user, moderator, or administrator.

No Breach of Legal Duty. Don't post Content in breach of any contractual or other legal duty owed to a third party.

No Deceptive or Fraudulent Links. Don't post deceptive or fraudulent links. This includes links with misleading descriptions, putting the wrong "source" field in a post, setting misleading click-through links on images, or embedding links to interstitial or pop-up ads.

No Intellectual Property Infringement. Respect the intellectual property of others. If you aren't allowed to use someone else's proprietary work or likeness (either by license or by legal exceptions and limitations such as fair use), please don't post it. In particular, if you have any reason to believe User-Generated Content you see on our Services is infringing your intellectual property or the intellectual property of others, please see the Intellectual Property/DMCA section of our Terms.

No Impersonating Weigh Safe or Others. Don't post Content that is likely to deceive any person or be used to impersonate any person, or to misrepresent your identity or affiliation with any person, including with Weigh Safe. Creating an account for the purposes of deceiving other users or to work around a suspension is not permitted and will be grounds for a permanent ban from the Services.

No Automated Querying. Do not send automated queries of any sort to the systems and networks we use to provide the Services without our express written permission.

Other. Don't post any Content that contains anything that we—in our sole determination—may determine is objectionable or inhibits any other person from using or enjoying the Services, or that may expose Weigh Safe or our users to any harm or liability of any kind. Don't post content that may damage or dilute the goodwill associated with Weigh Safe, our logos, or our marks.

If we determine you are violating the Community Guidelines or otherwise have breached the Terms, we may take actions to address the issue, including, but not limited to, terminating your right to use the Services, removing your User-Generated Content, taking legal action against you (in which case you agree that we may recover reasonable costs and attorneys' fees) or disclosing information to law enforcement authorities. We

reserve the right to enforce, or not enforce, these Community Guidelines in our sole discretion, and they don't create a duty or contractual obligation for us to act in any particular manner.

3.3 Reporting Objectionable User-Generated Content

People do post inappropriate content on user-generated content sites. We do our best to keep the community safe and secure (users respecting the Community Guidelines helps), but you still might run into bad content before we have a chance to take it down. If you spot anything objectionable, please let us know.

While we require all of our users to comply with the Community Guidelines and reserve the right to monitor for violations, we ultimately cannot guarantee all users will comply with the Community Guidelines or these Terms at all times. If you believe any Content submitted to our Services violates the Community Guidelines, or if you know or suspect someone is misusing your User-Generated Content, please report it to the Support Team. We have the right, but not the obligation, to review and take action or remove any User-Generated Content you report. You understand and acknowledge that when you access or otherwise use the Services, you may be exposed to User-Generated Content from a variety of sources, and we are not responsible for the accuracy, usefulness, safety, legality, appropriateness, or intellectual property rights of or relating to such User-Generated Content.

We are not responsible or liable for any injury or harm to you resulting from objectionable User-Generated Content or another user's failure to comply with our Community Guidelines.

4. Intellectual Property/ DMCA

If you choose to use the Services, you do so of your own free will and accord, knowingly and voluntarily assuming all risks associated with such activities. You expressly agree that your towing activities carry certain inherent and significant risks of property damage, bodily injury, or death and that you voluntarily assume all known and unknown risks associated with these activities.

Except as otherwise set out in these Terms, and to the maximum extent permitted by applicable law, we are not responsible or liable, either directly or indirectly, for any injury, illness, or damages sustained from your use of, or inability to use, any Services or features of the Services, including any Content or activities you access or learn about through our Services even if caused in whole or part by the action, inaction, or negligence of Weigh Safe or others.

7.2 Disclaimer Regarding Accuracy and Reliance on Content

We make no representations or warranties as to the accuracy, reliability, completeness, or timeliness of any Content available through the Services, and we make no commitment to update such Content.

In addition, User-Generated Content, including advice, statements, or other information, including, without limitation, towing guidance are not produced by Weigh Safe, and should not be relied on without independent verification. User-Generated Content, whether publicly posted or privately transmitted, is the sole responsibility

7.3 Not Safety Advice

Any and all services provided by, in and/or through the Services (including but not limited to Content) are for informational purposes only.

7.4 Accuracy

The Services are intended to provide you with information and support in your towing activities. The data and information provided by the Services are intended to be a representation of your towing activities, but may not be completely accurate. By using the Services, you acknowledge and agree that Weigh Safe is not responsible or liable for any inaccuracy in such data.

If you are a resident of New Jersey:

Notwithstanding anything herein to the contrary, nothing in these Terms limits or excludes our responsibility for losses or damages caused by Weigh Safe’s own fraud, recklessness, gross negligence or willful misconduct.

8. Modifications to the Terms

As the Services grow and improve, we might have to make changes to these Terms.

8.1 Updates to these Terms

We reserve the right to modify these Terms by (i) posting revised Terms on and/or through the Services, and/or (ii) providing advance notice to you of material changes to the Terms, generally via email where practicable, and otherwise through the Services (such as through a notification on the home page of the Weigh Safe website or in-app). Modifications will not apply retroactively unless required by law.

We may sometimes ask you to review and to explicitly agree to or reject a revised version of the Terms. In such cases, modifications will be effective at the time of your agreement to the modified version of the Terms. If you do not agree at that time, you are not permitted to use the Services. In cases where we do not ask for your explicit agreement to a modified version of the Terms, the modified version of the Terms will become effective as of the date specified in the Terms. Your choice to maintain an account, to access or use the Services (regardless of whether you create an account with us) following that date constitutes your acceptance of the terms and conditions of the Terms as modified. If you do not agree to the modifications, you are not permitted to use, and should discontinue your use of, the Services.

9. No Warranties

EXCEPT WHERE PROHIBITED BY LAW, WEIGH SAFE EXPRESSLY DISCLAIMS ALL WARRANTIES, REPRESENTATIONS AND GUARANTEES OF ANY KIND, WHETHER ORAL OR WRITTEN, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT TO THE FULLEST EXTENT PERMISSIBLE UNDER THE LAW. THE SERVICES AND ALL CONTENT ARE PROVIDED ON AN “AS IS” AND “AS AVAILABLE” WITH ALL FAULTS BASIS. Without limiting the foregoing, you understand that, to the maximum extent permitted by applicable law, we make no warranty regarding the quality, accuracy, timeliness, truthfulness, completeness, availability, or reliability of any of the Services or any Content. To the maximum extent permitted by applicable law, we do not warrant that (i) the Services will meet your requirements or provide specific results; (ii) the operation of the Services will be uninterrupted, virus- or error-free or free from other harmful elements; or (iii) errors will be corrected. Any oral or written advice provided by our agents or us does not and will not create any warranty. To the maximum extent permitted by applicable law, we also make no representations or warranties of any kind with respect to any Content; User-Generated Content, in particular, is provided by and is solely the

responsibility of the users providing that Content. No advice or information, whether oral or written, obtained from other users or through the Services, will create any warranty not expressly made herein. You therefore expressly acknowledge and agree that use of the Services is at your sole risk and that the entire risk as to satisfactory quality, performance, accuracy and effort is with you.

10. Limitation of Liability

We are building the best Services we can for you but we can't promise they will be perfect. We're not liable for various things that could go wrong as a result of your use of the Services.

To the maximum extent permitted by applicable law, under no circumstances (including, without limitation, negligence) shall Weigh Safe, its parent, partners or any wireless carriers be liable to you or any third party for (a) any indirect, incidental, special, reliance, exemplary, punitive, or consequential damages of any kind whatsoever; (b) loss of profits, revenue, data, use, goodwill, or other intangible losses; (c) damages relating to your access to, use of, or inability to access or use the Services; (d) damages relating to any conduct or Content of any third party or user of the Services, including without limitation, defamatory, offensive, or illegal conduct or content; and/or (e) damages in any manner relating to any Third-Party Content or Third-party Products accessed or used via the Services. To the maximum extent permitted by applicable law, this limitation applies to all claims, whether based on warranty, contract, tort, or any other legal theory, whether or not Weigh Safe has been informed of the possibility of such damage, and further where a remedy set forth herein is found to have failed its essential purpose. To the maximum extent permitted by applicable law, the total liability of Weigh Safe, for any claim under these Terms, including for any implied warranties, is limited to the greater of five hundred dollars (USD \$500.00) or the amount you paid us to use the applicable Service(s) in the past twelve months.

In particular, to the extent permitted by applicable law, we are not liable for any claims arising out of (a) your use of the Services, (b) the use, disclosure, display, or maintenance of a user's Personal Data, (c) any other interactions with us or any other users of the Services, even if we have been advised of the possibility of such damages, or (d) other Content, information, services or goods received through or advertised on the Services or received through any links provided with the Services.

To the extent permitted by applicable law, you acknowledge and agree that we offer the Services and set the Services' prices in reliance upon the warranty disclaimers, releases, and limitations of liability set forth in the Terms, that these warranty disclaimers, releases, and limitations of liability reflect a reasonable and fair allocation of risk between you and form an essential basis of the bargain between you and us. We would not be able to provide the Services to you on an economically reasonable basis without these warranty disclaimers, releases, and limitations of liability.

If you are a resident of California: You waive your rights with respect to California Civil Code Section 1542, which says "a general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which, if known by him must have materially affected his settlement with the debtor."

If you are a resident of New Jersey: Notwithstanding anything herein to the contrary, nothing in these Terms limits or excludes our responsibility for losses or damages caused by Weigh Safe's own fraud, recklessness, gross negligence or willful misconduct.

11. Indemnification

If you are a resident of the United States or any location other than France or Germany: To the maximum extent permitted by applicable law, you agree to indemnify and hold Weigh Safe, its affiliates and partners harmless from any claim or demand, including reasonable accounting and attorneys' fees, made by any third party due to or arising out of (a) the User-Generated Content you access or share through the Services; (b) your use of the Services, (c) your activities in connection with the Services, (d) your connection to the Services, (e)

your violation of these Terms, (f) your use or misuse of any user's Personal Data, (g) any violation of the rights of any other person or entity by you, or (h) your employment of the Services to meet another user in person. We reserve the right, at your expense, to assume the exclusive defense and control of any matter for which you are required to indemnify us under the Terms, and you agree to cooperate with our defense of these claims.

If you are a resident of France or Germany: Notwithstanding the previous paragraph, you agree to indemnify and hold Weigh Safe, its affiliates and partners harmless from any claim or demand as a result of your negligent or intentional behavior, including reasonable accounting and attorneys' fees, made by any third party due to or arising out of (a) the Content (including User-Generated Content) you access through the Services; (b) your violation of these Terms, (c) your use or misuse of any user's Personal Data, (d) any violation of the rights of any other person or entity by you, or (e) your employment of the Services to meet another user in person. We reserve the right, at your expense, to assume the exclusive defense and control of any matter for which you are required to indemnify us under the Terms, and you agree to cooperate with our defense of these claims.

If you are a resident of New Jersey: Notwithstanding anything herein to the contrary, nothing in these Terms imposes an obligation for you to indemnify us from claims arising out of Weigh Safe's own fraud, recklessness, gross negligence or willful misconduct.

12. Governing Law

These Terms shall be governed by and construed in accordance with the laws of the State of Utah and controlling U.S. federal law as applicable, without regard to its conflict of law principles.

13. Disputes and Arbitration, Class Action Waiver, Jurisdiction and Venue

Arbitration Agreement

YOU AND WEIGH SAFE AGREE TO SUBMIT ANY AND ALL DISPUTES ARISING OUT OF OR RELATED TO YOUR USE OF THE SERVICE TO BINDING ARBITRATION. To the maximum extent permitted by applicable law, you and Weigh Safe agree that any disputes arising out of or related to your use of the Services (a "**Dispute**") will be resolved by binding arbitration pursuant to the Federal Arbitration Act (Title 9 of the United States Code), which shall govern the interpretation and enforcement of this arbitration agreement ("**Arbitration Agreement**"). In arbitration, Disputes are resolved by a neutral arbitrator instead of a judge or jury, discovery is more limited than in court, and the arbitrator's decision is subject to limited review by courts. The arbitrator can award on an individual basis the same damages and relief as a court, including monetary damages, injunctive relief, and declaratory relief. Judgment on the arbitrator's award may be entered in any court having jurisdiction thereof. Such dispute resolution proceedings will be conducted only on an individual basis and not in a class, consolidated, or representative action. Except where prohibited, you and we agree to submit to the personal and exclusive arbitration of Disputes relating to your general use of the Services under the Consumer Arbitration Rules of the American Arbitration Association. Please visit www.adr.org for more information about arbitration.

Any arbitration between you and us, to the extent necessary, will be conducted remotely as provided below.

The arbitration will be conducted in English. A single independent and impartial arbitrator will be appointed pursuant to the rules of the American Arbitration Association. The arbitrator will decide all issues relating to the enforceability, interpretation, scope, and application of this Arbitration Agreement (including "gateway" issues of arbitrability, whether the Arbitration Agreement is unconscionable or illusory, and any defense to arbitration), and these Terms, except that a court may resolve any question regarding the validity or enforceability of the class action waiver set forth in this Arbitration Agreement. The term "Dispute" and the requirement to arbitrate will be broadly interpreted.

Both you and we agree to comply with the following rules, which are intended to streamline the dispute resolution process and reduce the costs and burdens for everyone involved:

- the arbitration will be conducted by telephone, online, and/or be solely based on written submissions, the specific manner to be chosen by the party initiating the arbitration;
- the arbitration will not require any personal appearance by the parties or witnesses unless otherwise mutually agreed in writing by the parties; and
- any judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

Barring extraordinary circumstances, the arbitrator will issue his or her decision within 120 days from the date the arbitrator is appointed. The arbitrator may extend this time limit for an additional 30 days in the interests of justice. All arbitration proceedings will be closed to the public and confidential and all records relating thereto will be permanently sealed, except as necessary to obtain court confirmation of the arbitration award. The award of the arbitrator will be in writing and will include a statement describing the reasons for the disposition of any claim.

You also acknowledge and understand that, with respect to any dispute with us arising out of or relating to your choice to maintain an account, or to access or use the Services:

- You are giving up your right to have a trial by jury;
- You are giving up your right to serve as a representative, as a private attorney general, or in any other representative capacity, or to participate as a member of a class of claimants, in any lawsuit involving any such dispute; and
- You must file any claim within one (1) year after such claim arose or it is forever barred.

Payment of all filing, administration, and arbitrator fees will be governed by the American Arbitration Association's rules. Weigh Safe will reimburse you for those fees up to \$5,000, unless the arbitrator determines your claims are frivolous. Likewise, Weigh Safe will not seek attorneys' fees and costs in arbitration unless the arbitrator determines your claims are frivolous.

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS ARBITRATION AGREEMENT, YOU MAY CHOOSE TO PURSUE YOUR CLAIM IN COURT AND NOT BY ARBITRATION IF YOU OPT OUT OF THIS ARBITRATION AGREEMENT WITHIN 30 DAYS FROM THE EARLIER OF: (1) THE DATE YOU ACCEPT THESE TERMS, OR (2) THE DATE YOU FIRST AGREED OR ASSENTED TO AN AGREEMENT WITH WEIGH SAFE THAT CONTAINED AN ARBITRATION PROVISION. The opt-out notice must be postmarked no later than the applicable deadline and emailed to: support@Weigh-Safe.com. The opt-out notice must state that you do not agree to this Arbitration Agreement and must include your name, address, phone number and email address. This procedure is the only way you can opt out of this Arbitration Agreement, and failure to comply strictly with this procedure and the applicable deadline automatically will render the opt-out notice null and void. If you opt out of the arbitration provision, all other parts of this Arbitration Agreement will continue to apply.

If this arbitration provision is found to be null and void, then all disputes arising under the Terms between us will be subject to the jurisdiction of the state and federal courts located in the State of Utah, and you and we hereby submit to the personal jurisdiction and venue of these courts. You and Weigh Safe agree that if for any reason a Dispute proceeds in court rather than arbitration: (1) you and Weigh Safe waive any right to a jury trial; (2) the Dispute will proceed solely on an individual, non-class, non-representative basis; and (3) neither you nor Weigh Safe may be a class representative or class member or otherwise participate in any class, representative, consolidated, or private attorney general proceeding.

This agreement to arbitrate will not preclude you or Weigh Safe from seeking provisional remedies in aid of arbitration, including without limitation orders to stay a court action, compel arbitration, or confirm an arbitral award, from a court of competent jurisdiction. Furthermore, this agreement to arbitrate will not preclude you or

Weigh Safe from (i) applying to the appropriate court of competent jurisdiction for a temporary restraining order, preliminary injunction, or other interim or conservatory relief, as necessary, or (ii) seeking relief in any state or federal court for disputes related to a violation or possible violation of Weigh Safe's intellectual property rights.

14. Survival

If our relationship or these Terms terminate, it will not limit any of our other rights or remedies, and any provision of these Terms that must survive in order to give proper effect to the intent and purpose of these Terms will survive termination, including without limitation Section 2 (Ownership and Use of Content), Section 8 (Towing Guidance), Section 10 (No Warranties), Section 11 (Limitations of Liability), Section 12 (Indemnification), Section 14 (Disputes and Arbitration, Jurisdiction and Venue), and Section 16 (Survival).

15. Miscellaneous

You agree that no joint venture, partnership, employment, or agency relationship exists between you and us as a result of the Terms or your use of the Services. The Terms constitute the entire agreement between you and us with respect to your use of the Services.

Our failure to exercise or enforce any right or provision of the Terms does not constitute a waiver of such right or provision. If any provision of the Terms is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties' intentions as reflected in the provision, and the other provisions of the Terms remain in full force and effect.

You may not assign, delegate, or otherwise transfer your account or your obligations under these Terms without our prior written consent. We have the right, in our sole discretion, to transfer or assign all or any part of our rights under these Terms and will have the right to delegate or use third-party contractors to fulfill our duties and obligations under these Terms and in connection with the Services.

Our notice to you via email, regular mail, or notices or links displayed in connection with the Services constitutes acceptable notice to you under the Terms. We are not responsible for your failure to receive notice if email is quarantined by your email security system (e.g., "junk" or "spam" folder) or if you fail to update your email address. Notice will be considered received forty-eight hours after it is sent if transmitted via email or regular mail. In the event that notice is provided via links displayed in connection with the Services, then it will be considered received twenty-four hours after it is first displayed.
